

Directions and Parking

We are located in the heart of Birmingham, Michigan, at 355 South Old Woodward, first floor, Suite 100. There is a map on the Contact page of this website.

We are just south of Brown Street, east side of South Old Woodward. The landmark for our building is the brick tower clock on South Old Woodward, as pictured on the home page of this website. Other landmarks; we are one building south of the Victorian Peabody Mansion, now the Adachi sushi restaurant; and across the street on a diagonal from the Daxton Hotel.

The entrance to the building is recessed from South Old Woodward, on the brick walkway, approximately 50 feet behind the clock. Once in the building, our office is accessed from the first floor building lobby.

Parking can be difficult in the heart of Birmingham. With apologies, my building does not provide visitor parking; and street parking is available only in 1 and 2 hour increments, so you would have to feed the meter.

Many of our guests park in the Peabody Street parking deck, at the corner of Peabody Street and Brown Street, 1 block east of South Old Woodward -- next to Roast coffee shop and across from the Jax Carwash.

The brick walkway connects South Old Woodward to Brown Street, and on Brown just across from the Peabody Parking Street deck. If you park in the Peabody deck, walk across Brown, the Jax Carwash will be on your left, and you will walk along the north side of our building to the front entrance.

We look forward to welcoming you and hosting you for the day.

With warm regards,
